BIO-MED, DR. CONARD

01 thru 12/1967

Dear Mr. Bonnet:

We are proceeding with plans according to the schedule previously outlined. I suppose we will hear momentarily from you in regard to the firm dates. We have received clearance for Kwajalein for the entire medical team. We have also received immunization waivers. Each individual will carry with him his passport and copies of the above. I assume you will soon write orders for the group and notify me as to whether you will send them to me or have them picked up by the individuals in Hawaii. We have added one man to our team, Robert F. Smith, making a total of eight. The following list reviews the transportation for the group, in order that you can make MAC reservations and hotel reservations:

Name	Arrival Honolulu-Airline	Waikiki Hotel*	MAC Departure
William A. Scott	Feb. 17, 1964, UAL #21	Feb. 17-18	Feb. 20
Douglas Clareus	Feb. 17, 1964, UAL #21	Feb. 17-18	Feb. 20
Thomas Weldon	Feb. 17, 1964, UAL #21	Feb. 17-18	Feb. 20
Robert A. Conard	Feb. 20, 1965, UAL #51	Feb. 20-21 ₂₂	Feb. 23
Robert F. Smith ✓ ²⁰ ₂₁	Feb. ²⁰ ₂₁ , 1964, UAL #21	Feb. ²⁵ ₂₆ , 20-22	Feb. 27 ₂₈
Wataru W. Sutow ✓	Feb. ²⁵ ₂₆ , 1964, PA #817	Feb. ²⁵ ₂₆ , 20-22	Feb. 27 ₂₈
Bentley P. Colcock ✓	Feb. ²⁴ ₂₅ , 1964, UAL #21	Feb. ²⁴ ₂₅ , 20-22	Feb. 27 ₂₈
Austin Lowrey**	Feb. ?, ?, ?	?	Feb. 27 ₂₈

As far as hotels at Waikiki, I believe you have special rates for the Edgewater, which would be our first choice. If they are unable to put us in that hotel (last time they shoved us into a less desirable hotel) you might consider the Ali Kai or the Princess Kialani, if you have rates there. It is requested that Scott, Clareus, and myself be allotted 100 lbs. extra weight allowance for the MAC flights.

* Most will stay at Hickam night before departure
 ** will handle own reservations

From your recent dispatches, it sounds as though things are moving along satisfactorily. I will check with you about things when I get to Honolulu.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bob Conard", with a horizontal line extending to the right.

Robert A. Conard, M.D.
